Department of Photography and Photojournalism

Photography scene production workshop 2022-23 by Sri Mahendra Simha, Renowed Photograpy Artist, Bangalore

Department of Photography and Photojournalism, Chamarajendra Govt. college of Visual Arts (CAVA) successfully organized a two-day workshop on Photography and

filmmaking on 10.07.2023 and 11.07.2023 by Mr. Mahendra Simha, Eminent photographic Artist, Bangalore and Resource person.

In the workshop, photography and photojournalism students were taught the art of visual production.

He suggested that in cinema and photography, skills should be enhanced by using the available facilities without depending on technology and technical facilities.

He explained how to depict a scene in a movie by making it practical by the students. The students did lighting design, camera management, acting and

explained the need and purpose of different shots such as long shot, mid shot and close up shot.

Through interaction with the students he gave many

advices on technique and skill and other photography

He explained the art of photography and visual production to the students in an engaging manner with a keen understanding of the abilities of the students.

Viranna Arkasali HOD Photography & PJ and guest lectures were present in the workshop.
